Dear Parent(s)/Guardian(s),

ROAD SAFETY OF STUDENTS

We would like to seek your cooperation to work with the school in ensuring the safety of students coming to and leaving school. This is especially important as young children do not always fully appreciate the dangers presented. Their small physique also makes them less visible to motorists.

We seek your cooperation and kind understanding in complying with the following:

Complying with Traffic Regulations

- Keep vehicle speed to 40km/h and below and stay alert for pedestrians in the school zone along Wellington Circle.
- Cooperate with our traffic marshalls who ensure overall safety and smooth traffic flow daily.
- Keep vehicle speed to 15km/h on entering school.
- Turn only left into Wellington Circle when exiting the school from 6.45 to 7.30am. The school exit may be covered by Land Transport Authority's (LTA) traffic camera.
- Do not park your car outside our school gates at dismissal time to wait for your children/ward as it will compromise the safety of our students.
- Reinforce correct road safety behavior such as using pedestrian crossings, and avoiding jaywalking or using a mobile phone while crossing.

Dropping off Passengers

- Drop-off passengers at the designated drop-off point and ensure that passengers alight on the side of the vehicle nearest the kerb.
- Passengers to alight safely but quickly to prevent a tailback that could result in congestion along Wellington Circle.

To Reinforce Road Safety Lessons in School

- Remind our children to practise the kerb drill at Gate B and D before crossing - "Stop, establish eye contact with the driver, look right, look left, look right again and ensure all vehicles have stopped, raise your hand high up and cross the road briskly".

Cycling to School

- Due to the current lack of safe off-road cycling paths around our school, students are not allowed to cycle to school.

We treat the safety and security of our students, parents and staff with utmost importance and any violation of traffic rules will be reported and dealt with by the enforcement agencies. Any student caught violating road safety policies such as jaywalking will be subjected to disciplinary actions by the school. We thank all parents and guardians who have been good role models for our children and look forward to your continual support in ensuring the safety and security of our students.

Yours Sincerely,

Mr Ho Wei Heong

Subject Head Student Management
