Building Engaged Partnership

4 Principles – S.T.A.R.

- Guided by Shared Vision
- Built on Trust
- United in Action
- Maintain Regular Communication

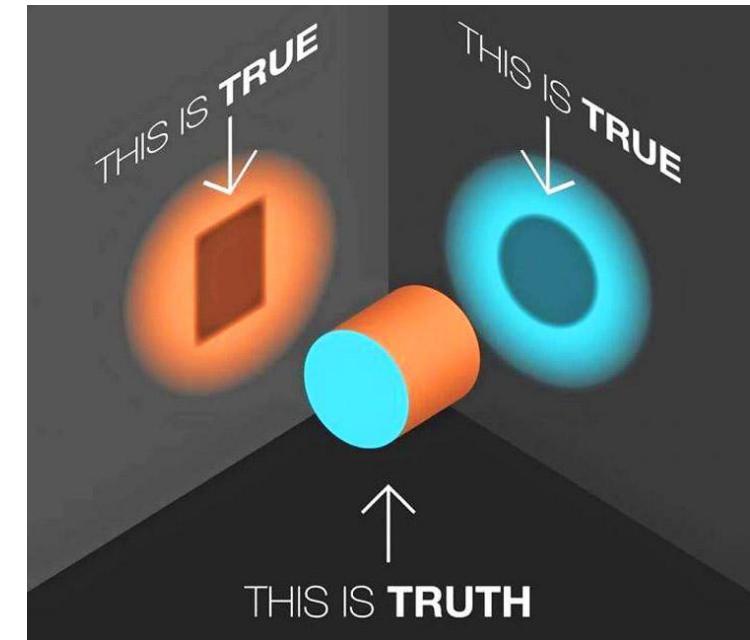

Parents – Teachers **COLLABORATION**

- Misunderstanding happens due to **lack of communication**
- Let our children know teachers and parents are **working closely together**.
- Our **common goal** – **To help them grow in this learning journey.**
- Teach them: Approach the teachers for help

COMMUNICATION is the **KEY**

Common misunderstandings in Lower Primary

- Taking friend's things **without** permission
- **Nudge/push** each other
- **Playing** which transforms into a **squabble / fight**
- Lending **money**
- **Giving things** to their friends

One of the dreams of all parents/guardians is for their child/ward to grow up **well & healthy, grounded in strong values and with right attitude towards learning & work.**

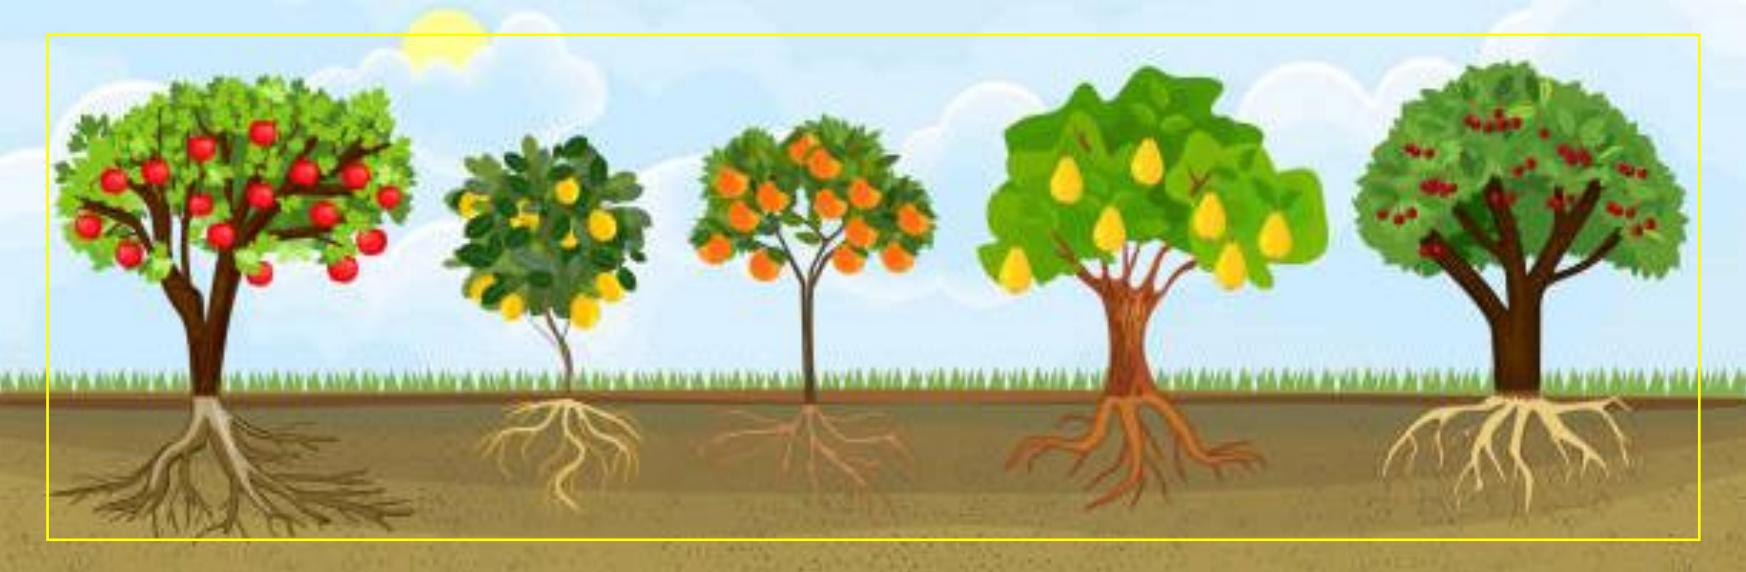

Journey with us @ Wellington Primary

is a journey of partnership to build strong trust and understanding, to support your child as he/she grows and develops in the next 6 years in Wellington Primary School.
